

Never doubt that a small group of concerned citizens can change the world, in fact it is the only thing that ever has.

— Margaret Mead

If you want to make a difference in the lives of others, you have spare time and want to be part of our ECHO Team, give us a call or email us about what you would like to do as a volunteer.

We will arrange a time to meet you to give you all the information you need to make an informed choice about volunteering. Once we have received your completed application forms and we believe you will fit in with our team and our vision, we will complete a police check which is mandatory for all ECHO Volunteers.

As soon as your police check is cleared, you can start volunteering, meeting new people, learning new skills through volunteer training opportunities and begin to make a difference in our community.
